I hereby authorize any investigator, special agent, or other duly appointed representative of the authorized Federal agency conducting my background investigation to receive any criminal history record information pertaining to me, which may be in the files of any Federal, State, or Local Criminal Justice Agency. I understand my fingerprint form may be provided to other Federal, State, or Local Agencies in conjunction with the application process, and I consent to such disclosure.

**THIS RECORD IS SUBJECT TO THE FOLLOWING USE AND DISSEMINATION RESTRICTIONS:**

Under provisions set forth in Title 28, Code of Federal Regulations (CFR), Section 50.12, both governmental and non-governmental entities authorized to submit fingerprints and receive FBI Identification Records must notify the individuals fingerprinted that the fingerprints will be used to check the criminal history records of the FBI. Identification records obtained from the FBI may be used solely for the purpose requested and may not be disseminated outside the receiving department, related agency, or other authorized entity. If the information on the record is used to disqualify an applicant, the official making the determination of suitability for licensing or employment shall provide the applicant the opportunity to complete, or challenge the accuracy of, the information contained in the FBI Identification Record. The deciding official should not deny the license or employment based on the information in the record until the applicant has been afforded a reasonable time to correct or complete the information, or has declined to do so. An individual should be presumed not guilty of any charge/arrest for which there is no final disposition stated on the record or otherwise determined. If the applicant wishes to correct the record as it appears on the FBI's CJIS Division Records System, the applicant should be advised that the procedures to change, correct or update the record are set forth in Title 28, CFR, Section 16.34.

**PRIVACY ACT STATEMENT:**

*The Privacy Act of 1974, 5 U.S.C. § 552a, Public Law No. 93-579, (Dec. 31, 1974) establishes a Code of Fair Information Practice that governs the collection, maintenance, use, and dissemination of personally identifiable information about individuals that is maintained in systems of records by federal agencies. A system of records is a group of records under the control of an agency from which information is retrieved by the name of the individual or by some identifier assigned to the individual. The Privacy Act requires that agencies give the public notice of their systems of records by publication in the Federal Register. The Privacy Act prohibits the disclosure of information from a system of records absent the written consent of the subject individual, unless the disclosure is pursuant to one of twelve statutory exceptions. The Act also provides individuals with a means by which to seek access to and amendment of their records, and sets forth various agency record-keeping requirements.*
